

# QUILAND WENAS

Frontend & Mobile Developer

+62 821-9298-7104 | quiland86@gmail.com | Sagerat, Bitung  
Portfolio: myportofolio\_ | GitHub: github.com/quiland15

## PROFILE

A frontend developer focusing on React, TypeScript, and responsive UI development. Experienced building modern interfaces, integrating APIs, and creating reusable components. Also comfortable with React Native and Django REST, adaptable and preparing for international remote work.

## TECHNICAL SKILLS

React · TypeScript · TailwindCSS · JavaScript (ES6+) · React Native · Python (Django REST)  
· Git/GitHub · Firebase Realtime Database · API Integration

## SOFT SKILLS

Problem Solving · Communication · Adaptability · Self-Learning

## WORK EXPERIENCE

### Mobile Developer (React Native) — Personal Projects | 2024 – Present

- Built simple mobile applications with React Native, complete with navigation, basic authentication, and database connections.
- Optimized UI for consistent cross-platform performance.

### Frontend Developer — UD Pelita (Freelance) | 2023

- Developed a responsive company profile website using React and TailwindCSS.
- Designed reusable UI components and implemented Firebase Realtime Database for the linked cashier dashboard.

### Video Editor (Freelance) | June 2024

- Created promotional videos to grow the reach of a local car workshop.

### Data Analyst / Excel Specialist (Freelance) | 2024

- Processed election-related datasets with Excel, designed formulas, and delivered decision-ready reports.

## EDUCATION

### Klabat University — Bachelor of Computer Science (2021 – Present)

Relevant studies: programming, software development, cloud basics.

## CERTIFICATION

Google Cloud Computing Foundations Certificate
